DEPOSIT or EXCELLENT CREDIT RATING

Upon setting up a new service, Missoula Electric Cooperative will do a "Credit Check" if this is an "Excellent" rating we will not require a deposit. However, if this is not an "Excellent" rating there will be a Minimum deposit of \$150 required before setting up service.

Disconnection of electrical service will result if Deposit is not paid or Excellent Credit Report not received.

After Keeping your bill current for (12) twelve consecutive months, your deposit will be credited to your account or you may request it refunded.

CAPITAL CREDITS

When Capital Credits are retired (paid out), we do our best to locate our members for up to (5) five years. If we cannot locate you after (5) five years, we will put your money in an educational fund which benefits the members and families of Missoula Electric Cooperative.

Your Capital Credits are yours even if you leave our service territory. Please inform us of your forwarding address.
